

Since 1996, SAJE has been a force for economic justice in the community focusing on tenants' rights, healthy housing, and equitable development.

The mission at Strategic Actions for a Just Economy (SAJE) is to build leadership for a movement for economic justice. We aim to do this by providing tenants the tools for them to be able to advocate for themselves and their neighbors. In an effort to provide tenants with information about their tenant's rights, SAJE holds a biweekly tenant clinic which provides free education and assistance to community residents, who are facing issues such as inhabitable living conditions, disputes with their landlords, illegal rent increases, among other housing issues.

Tenant Action Clinic Volunteer

SAJE is seeking a Tenant Action Clinic Intern to support with staffing the Tenant Action Clinic, conduct one on one intake sessions with tenants, perform case management duties and report to director of outreach on ongoing cases.
